<sup>1</sup> Lot owners have the right to submit up to a maximum of 5 proposed motions to the Committee to decide within a 12-month period: [Regulation 50 of the Body Corporate and Community Management Act 1997](#). The Committee must decide a lot owner’s motion as soon as reasonably practicable, and within a 6 week period after the motion is submitted unless it gives the lot owner a written notice stating that the committee requires more time to decide the motion, with the reasons it requires more time and the committee’s decision is made within an additional period not exceeding a further 6 weeks (on top of the original 6-week period = 12-weeks). The Committee is not permitted to make decisions on lot owner motions that are about ‘restricted issues’ that the Committee can’t make decisions about, or motions that would conflict with the Body Corporate and Community Management Act 1997, regulations or by-laws, or would be unlawful or unenforceable. If the Committee does not make its decision within the decision period (maximum of 12 weeks), then it means the Committee has not agreed to the motion.
